8th Grade Supply List 2018-2019

PARENTS AND STUDENTS:

We are aware of the high cost of school supplies, especially for families with several school age children. To help you take advantage of sale items during the summer, we have prepared this list of supplies that your child will need for his/her classes next year. If you need assistance with purchasing supplies, please contact the school. The assignment notebook will be provided by the school to all students at no cost. Materials should be brought in on the first day of school.
