

Advanced Placement Physics 1

Hello and welcome to AP Physics! I am very excited that you are in this class and, as such, I have already set-up your Google Classroom and class sections for Collegeboard AP® and for your textbook, “Giancoli”. The text book’s on-line access is through Pearson and is commonly referred to as Pearson Mastering Physics®.

This document provides you with some initial sign-on information and your summer assignment. The College Board and on-line text sign on information is also in the initial posting on Google Classroom. The summer assignment is designed to familiarize you with the on-line textbook and how answers are input. There are two assignments in PearsonMyLabandMastering that will be available as of June 18, 2020.

Sign-on Information:

1. Google Classroom Code: **s23meqi**
2. AP College Board Access & Code: <https://myap.collegeboard.org/> **PYQWKQ**
3. Text Book: Giancoli, Physics: Principles with Applications, 7e
On-Line Text Book Access & Code: www.PearsonMyLabandMastering.com
SSSRCC-WAHOO-STORY-MANET-MYTHS-MACES

Course ID on Mastering Physics: **AP1BRIGHT20202021**

Summer Assignment from On-line Text:

1. Introduction to Mastering Physics (Approximately 15 minutes)
2. Math Review (Approximately 43 min)
3. Physics Primer (Approximately 81 minutes)

Each question in the assignments allows you up to four attempts. You also may repeat the assignment up to three times if you wish to get a better score.
