\*\* "Yes" indicates the possibility of adding four classrooms without any additions to the core infrastructure or negative impact on student achievement or student safety. Schools listed as "Maybe" for additions will require additional costs to accommodate upgrades needed to the facility due to age, site limitations, need of public utilities, and core space limitations.

\*\*Closed/Open Schools = C is closed, C/1 is closed with open corridors, C/2 is closed with an open media center, P is partially open, and O is open.

\*\*\* Funkstown Elementary provides a Pre-Kindergarten Program Instruction Center.

\*\*\*\* Children's Village is physically located on the Ruth Ann Monroe Primary Site.
