

STUDENT HANDBOOK ACKNOWLEDGEMENT

Dear Parents/Guardians:

In support of Washington County Public School's Digital Learning Plan and in an effort to become more environmentally conscious, South Hagerstown High School is issuing the student handbook digitally this year. Every student iPad will come with a direct link to the digital version of our handbook. It can be found at <https://sites.google.com/a/wcps.k12.md.us/shhs-student-handbook/> and will also be available on www.southhighrebels.net.

We encourage you to review the handbook with your student to get an understanding of the rules and procedures at SHHS. There are a few changes which will be highlighted in class meetings by the appropriate administrator.

Thank you,

South High Administrative Team
