

**WCPS iCoverage  
2018-2019**

As a 1:1 school system, Washington County Public Schools (WCPS) provides an iPad, a protective case, charger, and district support for all students. All students are required to pay an iCoverage fee for the iPads, and have a parent-signed user agreement for the Responsible Use Guidelines.

iCoverage for iPads covers all students in grades 3-12. iCoverage costs \$15 per student (year-long) effective upon receipt for 2018-2019 school year. If there are financial concerns due to hardship in the household, please contact the school counseling office or school administration. Online, cash and check payment options will be made available at the start of each school year.
