

WHMS After-School Academic & Athletic Program (ASAP)

What is ASAP?

ASAP is an opportunity for students to stay after school to work with teachers on homework or classwork. In addition, students will be able to use computers to do research for school assignments or to complete assignments that require typing.

Students **must come to ASAP with work from their teachers.** Teachers running the ASAP sessions will provide additional instruction to help students complete assignments or provide direct supervision of students who need to use computers to complete assignments.

In addition to the academic support, students **can chose to participate in an athletic skills and agility session** with Mr. Mera.

When and Where will ASAP be held?

ASAP will be held on **Thursdays from 2:30 to 4:30.**

The first session will be on Thursday October 15, 2015.

The schedule will be as follows:

- Students will meet in the cafeteria at 2:30 where they will be provided with a snack.
- Students will move to the Media Center at 2:45 to begin work on their assignments.
- Students choosing to participate in the athletic skills and agility session will move to the cafeteria at 3:40.

Students have the option of staying until 4:30 or students may be picked up by a parent/guardian after the first hour. WHMS will provide a bus at 4:30 to transport students to designated stops (see attached Transportation form).

If you would like your child to participate, please fill out the attached information form and the transportation request form (if needed) and return it to Mrs. Kane-Kirkpatrick. Please do not hesitate to call if you have any questions about this program.
