

Date: November 12, 2021

To: The parents and guardians of students who reside in the Cascade Elementary School attendance area

From: The Pupil Transportation Office

IMPORTANT INFORMATION ABOUT INCLEMENT WEATHER DECISIONS IN THE “CASCADE MOUNTAIN WEATHER ZONE”

Washington County Public Schools has a policy which allows the Cascade Elementary School attendance area to either be delayed, closed, or to dismiss early, in the event of inclement weather. This zone was determined by the conditions in the higher elevations surrounding Cascade Elementary School affecting elementary, middle and high school students. With the increased attendance area, it is important to clarify who is affected by a decision to implement a schedule change due to inclement weather in the area identified as the **Cascade Mountain Weather Zone (CMWZ)**.

Please carefully review the road lists and the map included in this document to determine how the use of the Cascade Mountain Weather Zone will impact your student(s).

Cascade Elementary School Students:

- All students who attend Cascade Elementary School will follow the decision to delay the opening, to close for the day, or to dismiss school early in the **CMWZ**. For example, if an announcement is made for a 2-hour delay for the **CMWZ**, all elementary students will go to school 2 hours later than usual.

Smithsburg Middle, High, and Out-of-District School Students:

- Given the Cascade Elementary School attendance area includes both higher and lower elevations, the attendance area has been divided into two (2) sections; “**Map 1**” and “**Map 2**”. Below, a road list has been provided to assist in identifying if your address is located in **Map 1** or **Map 2**. Please take a moment to identify on which map your address is located.
- Students who reside in **Map 1** are located in the higher elevation. For Smithsburg Middle and Smithsburg High schools, these students will be affected by a decision to implement the **CMWZ**. Transportation will be provided according to the CMWZ decision.

CMWZ closed: No Transportation provided in Map 1. Parent option to transport.

CMWZ delayed 2 hours: Transportation delayed 2 hours in Map 1. Parent option to transport.

CMWZ early dismissal Transportation provided at early dismissal in Map 1.

Building a Community That Inspires Curiosity, Creativity, and Achievement.

- Students who reside in **Map 2** are located in the lower elevation. For Smithsburg Middle and Smithsburg High schools, these students **will not** be affected by a decision to implement the **CMWZ**. Transportation will be provided according the regular daily schedule or any inclement weather decision announced for Washington County Public Schools.

CMWZ closed: Transportation provided based on regular daily schedule in Map 2.

CMWZ delayed 2 hours: Transportation provided based on regular daily schedule in Map 2.

CMWZ Early Dismissal Transportation provided based on regular daily schedule in Map 2.

If you have any questions regarding this communication, please contact your student(s) school or the Pupil Transportation Office at 301.766.2902.
