

## Northern Middle School Supply List

From the Sixth Grade Team:

Welcome to the new school year and to our 6<sup>th</sup> grade team. With our interdisciplinary organization, we feel we are best suited to meeting the needs of your child. The transition from elementary to middle school is so much easier with the teachers and students centralized. All of your child's teachers will be working closely and cooperatively in an effort to enhance your child's 6<sup>th</sup> grade experience.

In the event that you have any questions or concerns regarding the day-to-day procedures, the guidance counselors are your source of information. **ACADEMIC AND BEHAVIORAL CONCERNS ARE HANDLED VIA A TEAM CONFERENCE THAT IS SCHEDULED THROUGH THE COUNSELING CENTER (301)766-8260.** Every effort will be taken to treat each child as an individual and as an integral partner in the learning process.

Below is a list of general materials that your child will need during this year at Northern Middle. Additional supplies may be needed during the year as rotation begins through the unified arts classes. Materials will need to be replaced as they become worn or lost.
