# Virtual Instruction Day Plan Option

- Maryland State Department of Education (MSDE) allows schools systems to use a total of **eight (8)** days as virtual instruction for:
  - Inclement weather
  - Staff professional learning
  - High school graduation
  - Similar circumstances
- Synchronous or asynchronous
  - No more than **three** asynchronous days

# Proposed WCPS Virtual Instruction Day Plan

## Potential three asynchronous instructional days

- Only used if WCPS exceeds **six (6)** inclement weather days built into the calendar
- Students work through Google Classroom at own pace
- Communicated to staff and families in advance of
- Attendance calculated by:
  - Student engagement with the materials
  - Work completed online, on paper, or after the virtual day
- Staff support student engagement with the work in job-appropriate ways
