Before the first day of school (*Monday, August 28*), we have scheduled a **back-to-school night** to get updates, schedules and preview of the year. There is also a planned **link crew event** for all our new students to BISFA.

Link Crew Orientation kicks off the school year with a fun-filled and educational day that helps you transition into high school! Junior and Senior Link Crew Leaders will welcome you with a sense of safety in a high spirited, anti-bullying environment, and will mentor you throughout your first year of high school. Orientation day is a chance for you to meet new students so that you know a familiar face on the first day of school, bond with others through activities and games, and learn information and strategies that will help you be successful in high school. Wear comfortable clothes and shoes, you will need nothing else, travel light!

If you have questions (or are unable to attend) please contact Link Crew Coordinator – Mrs. Andrea Masciocchi - Email: masciand@wcps.k12.md.us
