ASBESTOS

~~It is the policy of the Board of Education of Washington County to minimize to the greatest extent possible the potential health risk to students and employees resulting from the past uses of asbestos-containing materials in the schools through the development and vigorous implementation of an Asbestos Management Plan. It is the ultimate goal of the Board of Education to eliminate this potential health risk through a long-term program of encapsulation or removal of all asbestos-containing materials.~~

~~Policy adopted: July 20, 1987.
