

Homeland Security

Teacher: COL. Laura Marfut

MarfuLau@wcps.k12.wcps.us

The Homeland Security Program integrates government, academia, and private sector training/educational initiatives to help students understand how the United States is protected against threats to public safety, both natural and manmade, through communication, preparedness, detection, prevention, response and recovery. The program offers three career strands: Homeland Security Sciences, Criminal Justice/ Law Enforcement and Information/Communications Technology. See your guidance counselor or Mrs. Marfut to get details about the class.
