Description: Link Crew is a high school orientation and transition program that increases freshman success. Chosen Members of the junior and senior class are trained to be Link Crew Leaders. Leaders act as positive role models, motivators, student mentors and teachers helping to guide the freshmen to discover what it takes to be successful during their high school transition. As freshman success increases, benefits to the school climate and culture become apparent. Link Crew schools report having greater student connection, increased extracurricular participation, fewer discipline issues and improved academic performance. Link Crew schools value service-learning and character development achieved through this proven high school orientation program.

Who can join: Juniors and Seniors who want to help make a difference in their school.
