About Ludwick Eye Center & New Vision Laser

At Ludwick Eye Center, we always put you first. Our expert team is tirelessly dedicated to the highest quality patient care.

Dr. Weigel specializes in LASIK and cataract surgery. A board certified doctor of ophthalmology, he joined Ludwick Eye Center in 2012. He has performed thousands of surgeries and conducted many education seminars on eye disease and vision loss.

"When asked what motivates me, the answer is simple - when I deliver excellent outcomes to each and every patient I meet then I see the joy they have as they experience their new world! Understanding each patient's own individual goals is the essence of the service I provide - it is critical to success! This personal, caring touch, plus the most advanced technology, gives people the ability to live free without glasses or contacts!"
