

YOUR CIGNA PHARMACY BENEFIT

Five ways to get the most out of your pharmacy benefit plan

1. Learn what medications are covered

Save money by checking out the list of medications covered under your plan on **myCigna.com**. The amount you pay depends on whether your medication is listed as a generic, preferred brand, non-preferred brand or specialty medication.

2. Use the Prescription Drug Price Quote tool

View medication cost based on your pharmacy plan, see if there are lower cost alternatives and compare prices between Cigna Home Delivery PharmacySM and retail pharmacies.

3. Use Cigna Home Delivery PharmacySM

Have the medications you take on a daily basis delivered right to your door at no additional cost. Because you can get up to a 90-day supply at one time, you may even be able to save money. You'll get a reminder when it's time to reorder, and have access to the CoachRx team for help with drug interactions, side effects and ways to lower your medication costs.

4. Get help with specialty medications

Take advantage of TheraCare[®]. Your personalized team will help you better understand your chronic condition (like multiple sclerosis, hepatitis c or hemophilia) and medication, including common side effects and how to follow your doctor's treatment instructions correctly.

5. Use myCigna.com

Gives you 24/7/365 access to:

- › See your pharmacy claim history
- › Read your benefit details
- › See medication prices based on your plan
