

# Washington County Public Schools Summer Enrichment Tutorials

## Apex Tutorials Available for Summer 2019!

Online Apex tutorials will continue to be available to WCPS students this summer! These resources are available to deliver personalized instruction, practice and review while preparing students for the MCAP assessment. Apex tutorials are designed specifically for Maryland’s College and Career-Ready Standards.

### To access Apex tutorials:

1. Open Chrome and go to [myaccount.google.com](http://myaccount.google.com)
2. Click Sign-in and log into student’s WCPS Google account.
3. Click Google Applications button and select More, then chose Apex Learning.
4. On the Apex dashboard screen, click Actions>Add Enrollment.
5. Enter an enrollment code and click Next.
6. Click Enroll.
7. Refresh your Apex Learning dashboard or log out/log in to view your enrollments. If you have more than one enrollment code, please repeat these steps for each code.
