Description: In today's world the creation of the yearbook is just a part of the class. Updating the website "southhighrebels.net", Facebook Page "South Hagerstown High School Sports Clubs and Activities", Twitter "SHHS Media" not to mention the in-house television displayed in the Lunch room, guidance, main office and main entrance and our latest endeavor is the electronic sign out-front. The yearbook is traditionally completed in March and distributed the last week of school (if there are no exceptions). April through June the yearbook staff works on the spring DVD supplement which is distributed with the yearbook. The yearbook is sold from the beginning of the school year till all copies have been sold. The earlier you order the more of a discount you get and the assurance of actually receiving a yearbook – If you do not pre-order a yearbook and we sell out you will not get one. Yearbook as it is traditionally called, is a lot of fun and a lot of work. So if "You Can't Hide that Rebel Pride, then Yearbook is Just Your Stride.
