ABOUT THE PROGRAM

Youth Apprenticeship Maryland is a program formed under the direction of Governor Hogan to aid in creating a pipeline of skilled and qualified labor in both traditional and nontraditional fields by combining on-the-job training and related classroom instruction to eligible high school students. Washington County was chosen by the Maryland Department of Education to pilot the program.

WE NEED YOU!

We need your support to provide our students with opportunities, knowledge and skills that will follow them throughout their adult careers.
